

Dear All

Welcome to Term 2.

I am thrilled to share with you that Johan Laas has secured a gig on a ship! He will be showcasing his talent internationally and embarking on exciting travels around the world. Although he will be away for some time, Johan will be coming back to South Africa for our future showcase's.

How lucky are we??

We are excited to welcome Schoeman (actor, dancer, performer and singer - a very good all-rounder a wonderful guide to those interested the arts) and Dominique to our team of voice teachers and accompanists. Both bring with them a passion for healthy voice production and a wealth of knowledge and experience to help you all grow as singers.

Their warm and nurturing approach has instilled in me a new-found confidence and excitement for offering an even better learning experience for our students. We are thrilled to see the big improvement in your voices and look forward to watching you grow as performers.

New student introductions

Lyndsey joined us last year and has been working hard both on and off the court. Not only is she a ceded tennis player, but she also loves to sing! We are so impressed by her dedication and passion for both sports and music.

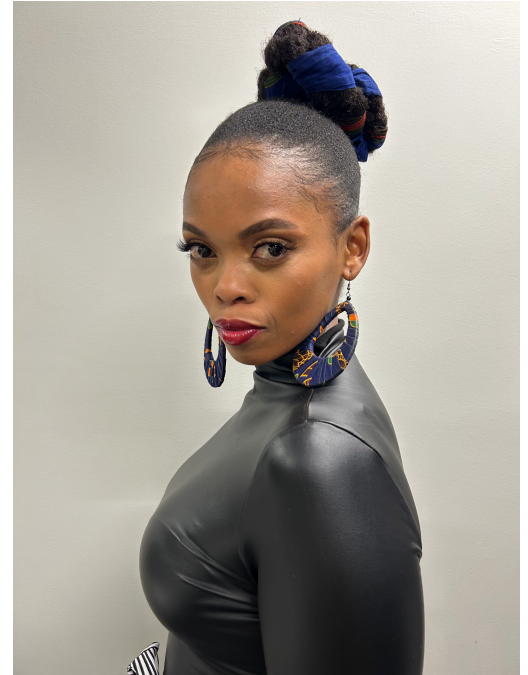

Next, we have Zara, who is truly a force to be reckoned with. Her singing style is unique and interesting, thanks to her diverse taste in music. We can't wait to see what she'll do next and we're certain that she's destined for great things.

Annabel is another new member who has piqued our interest. She's been opening her mind to different genres of music and has recently fallen in love with theatre songs. We can't wait to see how her musical journey unfolds.

Our past student successes - we're so proud of you gals!

We want to highlight the amazing accomplishment of Lebo. She sang the National Anthem at the opening of Formula e, which was shown in 170 countries around the world! We are so proud of her and all that she's achieved.

One of our very own, Tali, who left to study in the USA, has landed an internship at Nightbird recording studios! Tali has had the opportunity to work with some big names in the music industry such as Miley Cyrus, Rihanna, Wiz Khalifa, and Christina Aguilera, among others. We are so proud of Tali and can't wait to see what amazing things she will do in the future. You go girl, show the world what you've got!

In addition to Lebo and Tali's amazing achievements, we also have another success story to share - Lia-Elise, one of our top vocalists, moved to the UK in 2020 and has since been writing a lot of music. We've heard that she's been a very successful songstress, and we couldn't be happier for her. Lia-Elise, we're sure you're coming up with some amazing tunes, and we can't wait to hear them.
