Fear not, for during this short term you will be put through your paces in preparation for a banging 2024.

Term 3 was a busy one for many of our present and past students.

**David Ricky** - a current student has released his latest album -  
**THIS COULD BE THE START OF SOMETHING BIG**

David's style has been influenced by crooners, balladeers, and easy listening artists. He's already been nominated for a SAMA Award. It's been great fun helping to prepare him for his recording sessions.

**KRISTI LOWE** - our very own past pupil has released her new single -  
**VILLAIN**

Kristi is making a name for herself locally, featuring on radio and television shows and even performing across Europe. She is becoming an accomplished songwriter , mover of the body and shaker of the senses. So proud of you!!!!

Between students participating in gig nights, auditions for shows, live concerts and other important ceremonies there's a lot going on...kudos to you all.

We are proud to say that the Academy has reached 100% capacity.

To all of our young students about to go into their exams we wish you all good luck.
